

Kiks verzamelkaarten

naar: 'Het Kabouterboek' van Loes Riphagen

Kabouters zijn verzamelaars.

Dingen die glimmen en alles met glitters vindt Kik extra mooi.

Kinderkabouters hebben een schatkist om bijzondere spulletjes in te bewaren.

Help Kik en de andere kinderkabouters met het zoeken naar bijzondere spulletjes.

- Print voor elk kind dat het spel gaat spelen een schatkist van pagina 2 of gebruik echte (schat)kistjes.
- Print de verzamelkaarten en lamineer ze eventueel.
- Verzamel voldoende knopen, paperclips en kralen. Leg deze klaar.

De kinderen pakken een verzamelkaart en leggen het juiste aantal bijzondere spulletjes op de schatkist (pagina 2).

De verzamelkaarten zijn er in verschillende niveaus: met afbeeldingen, met dobbelsteenstructuur, met cijfers tot en met 5, met getallen tot en met 12 en met één erbij en één eraf.

Veel plezier!
