

logi-lijstjes

Benodigdheden: logi-lijstjes en 1 doos logiblokken

De logi-lijstjes zijn leuk om te gebruiken tijdens het thema kleur en vorm. Je kunt ze bijvoorbeeld als boodschappenlijstje gebruiken in het kleur- en vormenwinkeltje. Natuurlijk kun je met de lijstjes ook aan tafel of in de kring werken.

Het kind leest de opdracht van het lijstje af en pakt de bijbehorende logiblokken. De kaartjes hebben een opbouw in moeilijkheidsgraad, te zien aan de kleur van de buitenrand.

Bij niet ingekleurde vormen mag het kind de kleur zelf kiezen.

De olifant staat voor dik en dun.

De muis staat voor groot en klein.

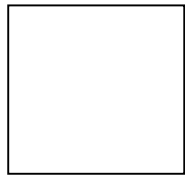

veel plezier
