

(Zand)bakkersbriefjes

Met de (zand)bakkersbriefjes geef je de kinderen gerichte opdrachten in de zandbak. De kinderen 'bakken' koekjes cakejes en bezorgen deze. Ondertussen oefenen ze het tellen, de getalsymbolen, de kleuren en het aanspreken van een klasgenootje spelenderwijs. Daarnaast zijn de kinderen fijnmotorisch bezig.

Print de briefjes en lamineer ze. De kinderen maken de bestelling die op hun briefje staat klaar en bezorgen deze vervolgens op de juiste plek met een (loop)kar of kruiwagen.

 Bij de briefjes met de koekjes bakken de kinderen iets willekeurig en brengen dit weg. De kaartjes verschillen in niveau.

 Bij de briefjes met de cakejes kijken de kinderen goed naar de kleur van de cakevorm. De kinderen 'bakken' een cakeje in een zandbakvormpje dat dezelfde kleur heeft.

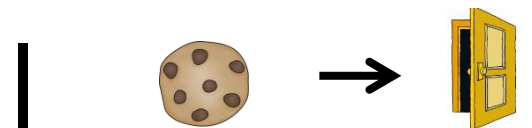

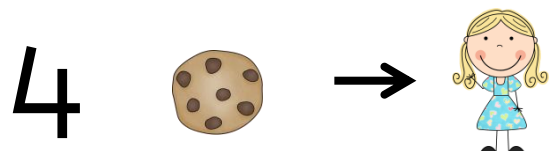

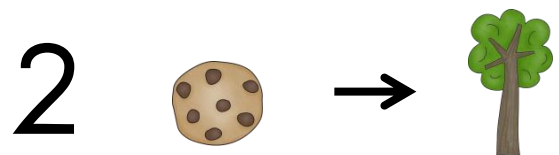

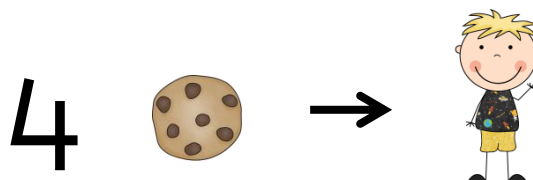

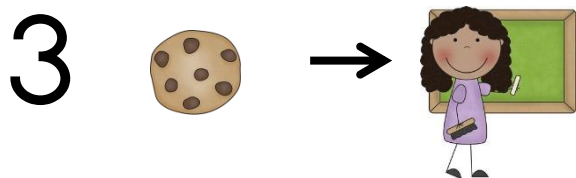

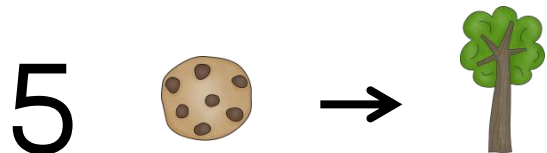

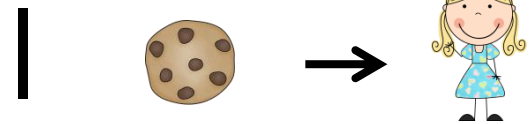

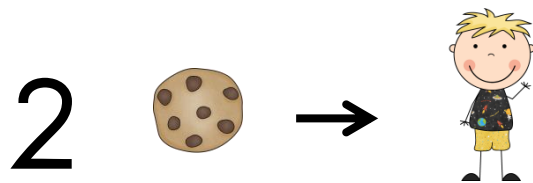

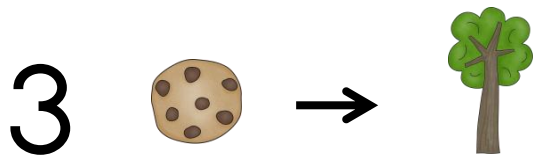

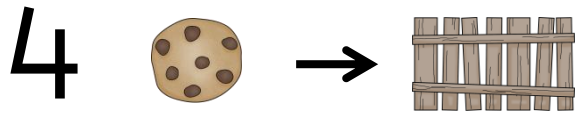

Je hebt vormpjes nodig in de kleuren rood, geel, groen, blauw en oranje. Van elke kleur vijf. De kaartjes verschillen in niveau.

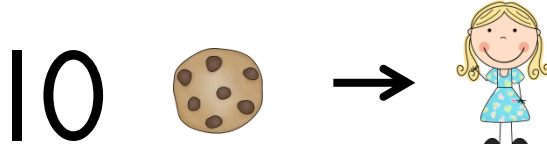

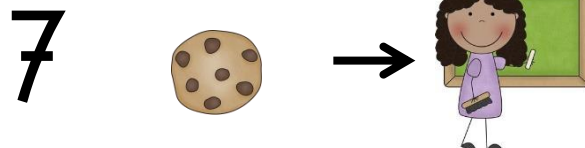

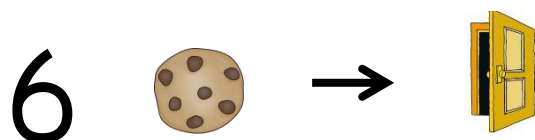

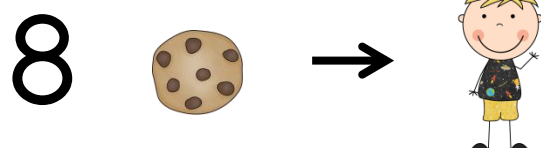

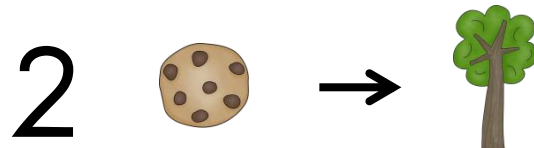

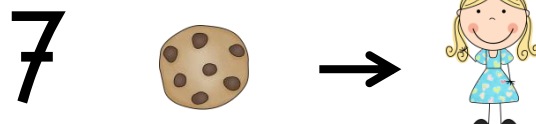

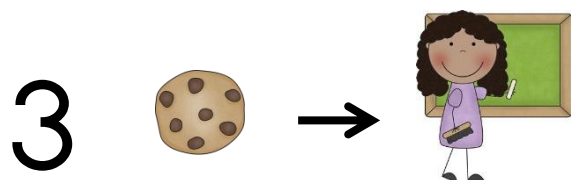

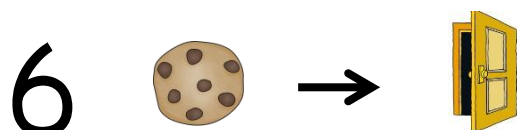

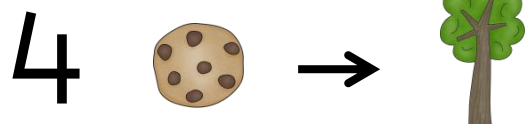

veel bakplezier!
