

# Donuts versieren

Strooi kleurrijke hagelslag op donuts!

Zorg voor chenilledraad in de kleuren roze, blauw, geel, groen, rood en zwart. Knip het draad in kleine stukken (hagelslag).

Laat de kinderen van klei een donut maken of gebruik de donuts van pagina 2.

De kinderen pakken een opdrachtkaart en 'strooien' het juiste aantal sprinkles in de juiste kleur op hun donut.

De opdrachtkaarten zijn er in verschillende niveaus: met dobbelsteenstructuur, met cijfers tot en met 5, met getallen tot en met 12, met één erbij, één eraf en samen 10.

Veel plezier!

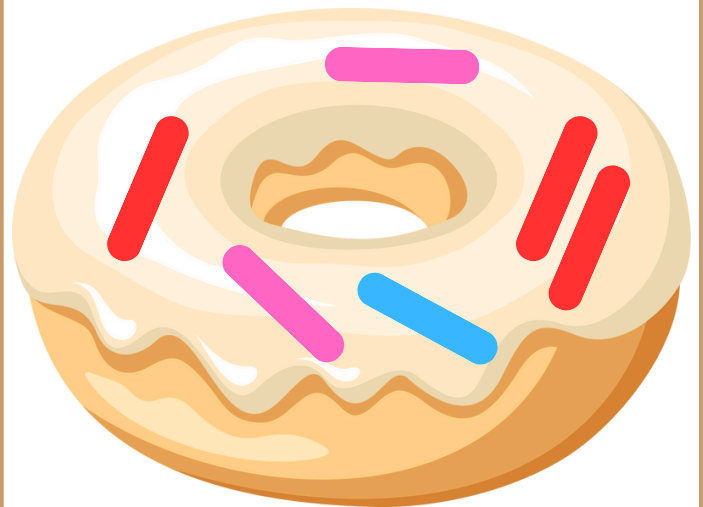

Juf Anke
